

FOLLOWING LETTER GIVEN TO ALL SOUNDS OF PITTSBURGH CHORUS MEMBERS:

April 2004

Dear Chorus Members,

Most of you know about the murder of Jan and Rog McQuaid's son in West Virginia. They now need our help.

The evil woman who murdered their son, Tod, has managed a plea bargain and is coming up for parole in May. She was sentenced to "life sentence without parole", but had managed to find a technicality that allowed her to plea bargain.

Jan and Rog were never notified by the Prosecuting Attorney of the hearings in December 2003 and March 2004 which changed her sentence to "life sentence with parole option". If she is paroled, they fear for their lives since they testified against her. If you read Jan's book, you know how evil this woman is.

Hopefully, if the Parole Board receives enough letters against granting parole to Tammy Wilson, she will remain in prison. This was a cold-blooded pre-meditated murder and all the evidence demanded a "guilty" verdict. Please write a letter to the Parole board urging them to deny parole to this convicted murderer.

The address of the West Virginia Parole Board follows:

Benita Murphy, Acting Chairman
West Virginia Parole Board
112 California Avenue, Room 307
Charleston, WV 25305-0700

Tammy Wilson ID 17350

If you wish to FAX a letter, the number is: 304-558-5678

Jan and Rog need all the support and prayers they can get. Please help. Thanks.

Signed (CM)
